APR 3 1951

The Honorable Homer Ferguson
United States Senate
Washington 25, D. C.

Dear Senator Ferguson:

On 10 March my deputy, Mr. Jackson, informed you that we were studying the proposition presented by Larry S. Davidow concerning Russian veterans' organizations about which you had written to General Bradley.

We are interested in exploiting the information which this Russian group undoubtedly possesses but feel that a preliminary meeting with the group and one of our representatives should be arranged in Detroit before further steps are taken, such as Mr. Davidow's suggested visit to Washington.

We are setting up a meeting in Detroit with Mr. Davidow and the Russian veterans to explore at length their ideas. In this manner we can get the necessary facts upon which to base whatever further action proves desirable.

Thank you very much for the interest you have shown in this matter. We are returning the letters which you received from Mr. Davidow.

Sincerely,

WALTER B. SMITH
Director
